to control them from the start, and plus I think they
will not compete dramatically with the state after two
or three years anyway, and they will want to drop anyway.
Thank you.

SENATOR CLARK: Senator Nichol.

SPEAKER NICHOL: Question.

SENATOR CLARK: The question has been called for.   Do I
see five hands?   I do.   All those in favor of ceasing
debate will vote aye, opposed vote nay.   Voting aye.

ASSISTANT CLERK: Senator Clark voting yes.

SENATOR CLARK: Have you all voted on ceasing debate?   Record
the vote.

ASSISTANT CLERK: 25 ayes, 1 nay, Mr. President.

SENATOR CLARK: Debate has ceased.   Senator Beutler, do
you wish to close?

SENATOR BEUTLER: Mr. Speaker and members of the Legis-
lature, I would repeat once again what the amendment does.
Basically, right now you have adopted the DeCamp amendment
which says we are going to have local lotteries and which
basically would give any community in the state the power
to institute a new local lottery if they have not done so
already.   What the amendment does is put a cap on local
lotteries, that is if you don't have a local lottery as of
the effective date of this act, then you will not be able
to create a new local lottery.   In addition to that, it
says with regard to those local lotteries that exist that
you will sell your tickets within the jurisdiction that
created the lottery, that is you will not be going statewide
to sell your lottery tickets in other communities.   So
those are the two things that it does.   Now Senator Pappas
and Senator DeCamp have suggested on Select File that they
would be amenable to an amendment which would sunset out
over a two or three year period local lotteries.   Well,
of course, that goes beyond my amendment.   My amendment is
just putting a cap on it.   It is not phasing them out.   If
on Select File they would like to go beyond this amendment
and phase out local lotteries, that is fine with me.   In
fact, I would like to see that.   But I suggest to you
that might not get done on Select File, and I suggest to
you that as a minimum and if you want to encourage that
particular amendment, that you first put in place and put
on the bill on General File this amendment and then you will
